FACULTY

An outstanding school needs an outstanding administration. The motto of our administration over the past year has been "progress." Numerous innovations have been effected in order to make O'Rafferty one of the finest schools in the area.

Last fall O'Rafferty became the first area school to employ computers completely in the scheduling of students. The students were first grouped according to their abilities, then were placed in classes with students of equal talents. In this way, students could progress at a rate suitable to their aptitudes. Many new courses were added to provide the widest possible range of education for the students. The marking system was also computerized; this change in marking was not, however, accompanied by a change in marks, to the disappointment of the students.

On March 10 Br. Julius stepped down as principal of O'Rafferty and appointed Br. Clarence as his successor. Br. Clarence continued the progressive school policy by giving new freedom and responsibility to the upperclassmen. O'Rafferty students can look forward to an even better future.

The English department completely revised its curriculum this past year, changing from a traditional system of four chronological survey courses to an elective system for all students past the freshman year. Freshman take a basic skills course. The variety of courses, such as the Modern British novel, Shakespeare, and Creative Writing, offers a better chance for students to broaden their interests in literature and writing, and helps eliminate the confining atmosphere, both for students and teachers, that characterized former courses. The intention of the department is that students develop a critical attitude toward literature, questioning and understanding what they read, rather than memorizing certain authors and their works.

The ability to communicate logically and fully through speech and writing is also more effectively attained through this variety of courses. Furthermore, this program will meet the individual needs of the student.

The English department has been the moving force behind the drama club, literary magazine, and folk music society.

The Science Department, under Mr. Sowka, has been engaged in expanding and improving the Science program at O'Rafferty. Current course offerings include: Physics, Biology I and II, Chemistry, and Physical Science. All the Science programs are advanced sequences published by special Science research committees. The aim of these courses is to instill within the students an understanding of the basic principles and concepts involved in the area of study rather than the memorization of mere facts.

Faculty and students within the department have received numerous honors. Br. Steven, Mr. Sowka, and Sr. Margaret Jude have all received National Science Foundation grants for summer study. O'Rafferty students won numerous awards at the Youth Talent Exhibit and O'Rafferty Science Fair. Other students won awards for research papers presented at the J.E.T. convocation at Michigan State University May 19th and 20th.

Br. Dillon

The Mathematics department, under the direction of Miss Piaszek, has instituted several changes that will improve the Math programs. Several courses were added that enabled students to be ability-grouped. Newer and more progressive texts were chosen for the courses. Math Department offerings include two years of Algebra and mechanical drawing, one year of Geometry, one-half year of Trigonometry, and one-half year of advanced Math topics.

The Math Department has sponsored two major activities this year. The first was the proctoring of the Michigan Math Test. Two O'Rafferty students scored high enough, in the top one percent, to qualify for the second section of the Test. Secondly, on January 14th the O'Rafferty Math Club hosted the Greater Lansing Math Club in presenting a program on various aspects of computers.

Music moved forward, also, this year under Sr. Esther Marie. She directs the Freshman and Sophomore Choir, the Junior and Senior Choir, and has initiated the beginnings of a band program. The students in the Music Department have been very active in presenting performances. A Christmas assembly and a spring concert, the latter titled "A Shower of Song," were sponsored at the school. The students also sing in groups at local hospitals and convalescent homes.

The Social Studies Department is also moving toward change. This year a Current Events course was dropped and two new courses, American Cultures and European Cultures, were added. Next year several courses will be team-taught. All these changes are intended to make the student a more intelligent citizen, not only of his local community, but also of the world community.

The Guidance Department, under Miss Turner, attempts to get the student to decide for himself just what he wants to make out of his life. A questionnaire for this purpose was circulated this year. 126 Seniors have been accepted by colleges.

The language department, under Br. Dillon, offers one of the most progressive foreign language programs in the state. Three years of French, Latin, and two years of Spanish are offered. In the coming years French IV, Honors French, Spanish III and IV, along with German I and II, and Russian I and II will be offered.

O'Rafferty employs the highly unique "Audio-lingual" method of instruction for French and Spanish. This system is based upon the student learning to speak and understand the language before he learns to read and write it. First the student learns how to hear the language. Then he listens to and memorizes oral conversations. Once these first conversations are mastered, they are expanded over a wide range of variations. By now the student has learned to listen to and speak the language, and proceeds to learn how to read and write it. The experiences here at O'Rafferty indicate that this method is an improvement over the traditional grammatical form of instruction.

Latin is taught by the more traditional grammar method. Basic translating, reading and writing skills are taught in the first two years. Advanced Latin is a survey of Roman literature - mainly the *Aeneid* by Virgil.

The language department has been extremely active in sponsoring student activities. The Junior Classical League, composed of Latin students, has held a Latin banquet and shown a movie. The French classes have attended a three act play - *Les Femmes Savantes* - in French and a talk by a French embassy cultural attache. For this summer a trip to Montreal's Expo '67 is planned. In the future, a program in which students spend their Junior and Senior summers in Montreal is planned.

Many things go into making a Senior. He is a combination of various qualities. He has the enthusiasm of a young freshman, the spirit of a sophomore, the energy of a junior and the knowledge of leadership, scholarship and service that is necessary of a Senior.

The Class of 1967 is all of these. As freshmen, they not only moved into a new environment, but also a newly-built school. As sophomores, they organized a Student Court. In their junior year their Homecoming Float took first place. And who can forget the Prom they gave to the Seniors, titled "Love Makes the World Go Round."

Then came the big year. It was a year of distinction and leadership for all of the Seniors. It started with the election of the leaders of the school and class. Student Council Presidents Skip Ward and Rose Roznowski, and Vice-Presidents Dan Cavanagh and Cathy Spelman, took the reins of governing the whole student body. Class officers Phil Alber, President; Nellie Kuhnmuensch, Vice-President; Mimi Meyer, Secretary; and Jim Danzo, Treasurer, took office.

Once leaders were established, activities went ahead. The big pep rally to give spirits a lift. The football team whose individual members led their team and school to distinction. The Homecoming float "We've Got the Coach, We've Got the Team" that took first place. Enough cannot be said about the basketball team. They led our school to honor and recognition. We'll not soon forget the part that Seniors played in bringing the team to its first league, district, and regional championships. They took the school all the way to the semi-finals, losing a heartbreaker to Menominee by two points. Pete Perpich won statewide recognition, the first O'Rafferty basketball player to do so in the school's history.

All this time the Senior class led the way. Senior recognition days and campus privileges were all precedents set by the Seniors. The Senior class play "Charlie's Aunt," Senior week with the tug of war between the seniors of Gabriels and O'Rafferty, the Senior breakfast at the Steinhaus, the Senior Review and the Senior trip all led to the final moment of Graduation.

Throughout the four years the Seniors have laughed, worked, learned, and served their school. The impression they leave upon O'Rafferty is one that will not be soon forgotten. Yet there is a greater impression that O'Rafferty has left on us. They formed us and helped to make us what we are or what we ever will be.

"The Raiders are coming! The Raiders are coming! The Raiders are coming!" This was the chant that came from the O'Rafferty fans as they waited for their team to come out of the locker room before the night's football game. The spirit was tremendous, and the Raider football team responded with a highly successful season. Coach Ron Rittenburg's football players showed the skill and determination needed to win—and win they did, compiling a fine season's record of 5 wins and 3 losses. In addition to the fine team record, many individual players won special recognition for their achievements. The support given the players by the student body, combined with the team's desire to excel, made O'Rafferty a name both to be feared and respected in football.

Part of the Raider football team's success came from the fact that the squad worked just as hard in practice as in its games. The players studied films of previous games to help their play. In this way, they could work to eliminate their mistakes and could see their strong points. One innovation that helped provide incentive to the athletes was a "skulls system" - a player received a skull sticker on his helmet for every interception, touchdown, fumble recovery, or ten tackles that he made.

There were many outstanding players on the team. Captain Jack Cushman was named the team's most valuable player. Joe Costello and Dan Cavanagh won recognition on the All-City football team and on the All-Conference football team. The two were first-string choices in both cases. Jack Cushman, Frank Kelley, Bob McCann, Jim Jones, and Gary Feaster received honorable mention on the All-Conference team.

Cross-Country remained an almost unknown sport to many O'Rafferty students this year. The Raider harriers were hampered by injuries and a late start on the season, but under Coach Joe Colagross rounded out into a fine team. Individual performances reached their peak when two Raider athletes, Mike Riordan and Bill Murphy, ran the two-mile course in 10:13 and 10:25 seconds to break the old school record set last year by Mike Vogel.

RAIDER BASKETBALL TEAM GAINS STATEWIDE RECOGNITION

... Compiles 21-2 Record in a year of firsts

There is a saying that headlines tell the story. And the headlines told a very exciting story about the 1966-67 O'Rafferty Basketball Team. Headlines such as these traced the course of the season: "O'Rafferty to Launch Cage Campaign Tonight," "O'Rafferty Opens Race With Big 95-70 Blitz," "Raider Cage Machine Wrecks Okemos, 79-50," "Unbeaten O'Rafferty, Waverly Clash Tonight," "O'Rafferty Gains Title in Circuit," "Records Tumble as Raiders Cop District Cage Crown," "Raiders Roll in Regional, 80-69," "Raiders at Owosso for Quarterfinal," "Raiders Advance to Semifinal."

But the headlines do not tell all of the story. They do not adequately describe the thrill of winning a League Championship, the excitement of being a contender for the State Championship, the pride that comes in being named the "The Team of the Year."

The headlines do not tell all of the records, either. When the Raider fans chanted "We're Number One!" it was not an idle boast. The O'Rafferty Raiders finished in first place in the Capital Circuit, and were only the second team to compile a perfect 14-0 season's league record. The Raiders also fared spectacularly in the post season State Tournament. Coach George Fox's team won District, Regional, and Quarterfinal Championships. O'Rafferty was rated in the top five teams in the State by the Associated Press, United Press International, and Detroit Free Press polls. O'Rafferty was named by the Lansing State Journal as the Lansing Area Team of the Year, and Mr. Fox received Coach of the Year honors from that newspaper. *ASB*

The loyal Raider fans supported their team well, and had much to cheer about. It was almost a Cinderella story for O'Rafferty, which only two seasons earlier had had a 5-12 record. It was sometimes hard to believe that their team was one of the most highly-regarded in the State. Scores like 109-79, 88-44, and 83-39 just did not seem possible. But they were, and they kept on happening.

The major part of the team's success this year came from teamwork. Coach Fox took a team loaded with talent and made the players work together so well that they were likened to the cogs in a machine. The devastating outside shooting and rebounding of 6'5" All-Stater Pete Perpick was also a great factor in the team's success. So was the sure ballhandling of Captain Mark Fischer. The strong rebounding of 6'5" Center Bill Murphy played a great part. The quickness and scoring of Tom Churma dazzled many fans. The clutch play and defense of John Mleko saved many games. Success depends upon teamwork, and this year the Raiders had a large amount of both. As a result, 1966-67 is a year that will be remembered as the year that the Raiders were truly "Number One."

Coach George Fox and Junior Varsity Coach Ed Viera say "We're both number one!"

Happiness is being number one and having a trophy to prove it, as Ray Reynolds and friend say

Basketball is essentially a team sport, but there were many outstanding individual performances as well in the 1966-7 season. 6' 5" Senior forward Pete Perpich was named to the first string All-State team by the Associated Press and Detroit News. He made the third team on the Detroit Free Press's All State Class B team. He was selected as an All-Capital Circuit first string member, and also named to the All-City team. He received Co-Most Valuable Player honors with Bill Murphy. Pete had an 18.8 points-per-game scoring average, a high game of 33 points, and a season total of 433 points, all school records.

Senior guard and Captain Mark Fischer received recognition on the All-Capital-Circuit second team. Mark averaged 11.8 points a game to close out a fine high school career which began as a sophomore. Mark had games of 22 and 21 points, and toward the end of the season played with a painful ankle injury. Time and again he was called upon to make difficult plays and direct the Raider offense and defense.

Tom Churma, the Raiders' 5' 8" junior guard and playmaker, ended his season by being named to the All-Capital Circuit first squad for the second straight year. Tom had a 14.7 point average per game and was the key man on the Raider fast break. His 20-point-plus games indicate that great things can be expected from him next year.

John Mleko was O'Rafferty's "Mr. Defense" this year. The 6' 2" junior was called upon to guard the best players O'Rafferty faced. He was a strong rebounder and averaged 7.8 points per game. Furthermore, John could be counted upon to make the big play. Several victories have been attributed to his quick thinking in the last few minutes.

Bill Murphy, the Raider's 6' 5" Senior center, won honorable mention All State honors from the Associated Press and also the Detroit News. He was selected to the All-Capital Circuit second team for the second year, and also received All-City and Prep Player of the Week Awards. He averaged 14.1 points a game and was MVP.

Bill Murphy puts in basket while opponents point the way

Not enough can be said about the fine job the rest of the squad did this year. Senior Joe Costello averaged 8 points a game, though his appearances were often brief. Tim Brogan had a 4.7 average and will undoubtedly be a factor next year. Greg Keast also showed much promise, as did Mike Pratt. Ray Reynolds will be remembered for his last-second heroics. Pat Maloney showed strong rebounding skill. He won't like next year's no-dunking rule. Sophomore Joe Rowan came up from the JV team and gained valuable experience.

Many times opposing coaches commented that they would like to have our second string start for them. O'Rafferty would have been lost without them.

Standing: Joe Rowan, Ray Jackson, Bruce Morgan, John Schnable, Bill Newhouse, Dan Baggs, Tom Mleko, Ed Spagnuolo, Dave Farhat, Tom Nico, Joe Harrison.
Kneeling: Coach Ed Viera, Captain George Bridson.

The O'Rafferty Junior Varsity Basketball Team had its second great season under Coach Ed Viera. The 1966-67 JV's finished the season with a near-perfect 16-1 record, the only defeat being a heartbreaking loss to Holt, 52-50. But this was the only setback for a team that won the Capital Circuit Junior Varsity Championship.

Starting with a 59-54 victory at Mason, the JV's, under the skillful ballhandling and shooting of George Bridson and solid rebounding and scoring of Bill Newhouse, Ed Spagnuolo, and Joe Rowan, dominated their opponents. Tom Nico and Tom Mleko provided strong assistance. The loss to Holt came after two other losses—the promotion of center Joe Rowan to the Varsity and the loss of Ed Spagnuolo for the remainder of the season due to a broken wrist. However, the team was in the game all the way, and quickly overcame its losses to finish strongly.

Bill Newhouse shows that stretch is the key to success as the JV's come away with another one. Ed Spagnuolo and George Bridson offer their moral support.

Freshmen Complete Circuit Dominance With 10-1 Record

Left Row: Pat Beadley, Tom Decker, Mike Brogan, Tom Kessler, Hal White, the Tiger mascot, Dennis Chase, the Vanervusse, Mike Bridson, and Ingraham.

Right Row: Andy Lewandoski, Pat Hayes, Coach Joe Colagross, Harold White, Ed Castellani.

The O'Rafferty Freshman Team was not to be outdone by the Varsity and Junior Varsity teams, with their respective records of 21-2 and 16-1. The Frosh team lost just one game, and then simply overwhelmed its opponents the rest of the way to finish the season with a brilliant 10-1 record under their new coach, Joe Colagross.

The one loss came in the first game of the season, and was a real heartbreaker. The Raiders lost to a strong Mason team by a mere three points in the last minute of play. A sure indication of the Freshman Team's dominance in the rest of the season is in the point-per-game averages. The Raiders scored about 62 points each game and allowed their opponents just 26—a tremendous difference.

The top six men on the squad were: Tom Kessler, Dennis McNamara, Pat Hayes, Bill Beurler, Andy Lewandoski, and Mike Brogan. Tom Kessler and Dennis McNamara were the leading scorers. Pat Bridson, Dennis Chase, Tom Decker, Hal White, Ed Castellani, Mike Bridson, Paul Ingraham, and Dale Vandervusse rounded out the team.

The 10-1 Freshman record brings the O'Rafferty Basketball record this year to 47 wins and 4 defeats.

It's time for a few gymnastics as an opponent attempts to leap over Tom Decker and friend. Dennis Chase and Mike Brogan look on with interest.

Raider Basketball Team Thrills fans and
Michigan In 1967 State Tournament

O'Rafferty's Raider Basketball team had a truly spectacular regular season, compiling a 16-1 record and adding many other firsts. But what was the most exciting part of the year was still in store for the Raiders when they ended the regular season and began looking toward the State Tournaments. O'Rafferty previously had not gone farther than the second game in the post season tourney but 1967 looked like the year in which the school would make its move. Still, no one was prepared for the tremendous success the team enjoyed.

The District Tournament at Waverly was one of the toughest in the State. Gabriels, Waverly and unpredictable Haslett, the opponents. The Raiders saved their best game of the year for their encounter with Gabriels (16-2) the first game, running the Eastsiders off the court 83 to 39. Waverly proved to be a harder match but the Raiders held them off to win, 69 to 60 to win, 69 to 60.

Dearborn Heights Riverside was the first team to meet O'Rafferty in the Howell Regional and fell by an 80-69 verdict. Fenton was next, and became the Raiders' fourth tournament victim in a 55-53 cliffhanger.

The Raiders next traveled to Owosso, where they met and stopped a tough Flushing team. O'Rafferty's Raiders were finally stopped one game short of the State Championship by the team that later took the title, Menominee.

The terrific effort that took the Raiders so far in the Tournament actually was a combination of good coaching, hard work by the players and great support from the fans. Because of this all of the O'Rafferty "Team," coach, players, and fans, deserve the credit.

RAIDER WRESTLERS ROLL TO 12-2 RECORD

Wrestling coaches around the Capital Circuit spoke of the Raiders' 1966 season as a fluke. This year's team certainly did have a lot to live up to, and it would be very hard indeed to match the 12-0-1 season mark the Raiders posted last year in tying defending Class B State Champion Okemos for the Capital Circuit title.

This year, however, the wrestlers won the league championship outright, compiling a fine 12-2 win-loss record in the process. And they did it despite many difficulties.

The first hardship the Raiders had to face was the loss of one of their finest wrestlers, Phil Alber, due to a back injury. This news was followed by the announcement that John Hoover, a very promising junior, would also be unable to compete because of a similar injury.

November 12, was the first day of practice for the Raider matmen, and by December 3, they were in good enough shape to win a double dual meet for their first two victories of the young season. The next meet was three days later, and the Raiders lost it to a very determined St. John's team, ending the Raider unbeaten streak at 15.

The Raiders bounced back from this setback to defeat Okemos, the defending Class B State Champions, by a score of 26-19. This was one of the definitely big highlights of the season, as Okemos had four individual state champions on its team. The victory stamped O'Rafferty as the team to beat in the Capital Circuit.

Mr. Gil Zachariah, Head Coach

Opponent does calisthenics to avoid being pinned

The Raiders next went to Waverly, and in a tremendously close match, lost 21-22. This was the team's second and last loss of the season. The matmen went on to defeat Gabriels 25-17, then Leslie, 42-5, Eaton Rapids, 29-17, and Haslett, 29-9. The Raider squad wrestled Gabriels again, winning by a score of 23-17 this time, and followed this win by others at Howell, 27-11, Michigan School for the Blind, 35-11, and closed out the season with a 41-11 victory over Holt and a 23-19 triumph over Williamston, making the team's record 12-2.

In the Capital Circuit Wrestling Tournament at the close of the regular season, Frank Perrone and Tom Kost picked up first place honors, while Dan Richardson, Gary Fedewa, and Jack Cushman placed second, and Ted Thelen fourth. The Regional meet at Parma, Michigan, found Dan Richardson with a first and Gary Fedewa, Skip Ward, and Tom Kost taking third. All gave good accounts of themselves in the State Finals March 1.

The starting team for most of the season was: Ed Troshack at 95 lbs., Dan Richardson at 103 lbs., Gary Fedewa at 112 lbs., Dan Stokkers at 120 lbs., Dan Thelen at 127 lbs., Mark Nixon at 133 lbs., Mike Koenigschnecht at 138 lbs., Steve Curtis at 145 lbs., Skip Ward at 154 lbs., Tom Kost at 165 lbs., Jack Cushman at 180 lbs., and Jim Nico, heavyweight.

Jack Cushman and Skip Ward were selected by Coach Gil Zachariah as Co-Most Valuable Players. Both these wrestlers are Seniors, as are Dan Thelen, Mark Nixon, Jim Nico, and Dan Stokkers, and it will be hard to replace them. However, the Raiders still have much to look forward to in the likes of Dan Richardson, Gary Fedewa, Frank Perrone, Mike Koenigschnecht, Tom Kost, Ted Thelen, and others.

So, for the second straight year the Raider wrestlers have brought glory to O'Rafferty. And with the excellent coaching of Mr. Zachariah, it is almost certain that next year will be a thrilling one for O'Rafferty wrestling fans.

The Girls Basketball Team had another fine year under head coach Mrs. Bennett. The girls won a total of five games while losing only three. The team's first victory came at the expense of the O'Rafferty women's faculty members, and was a 24-6 triumph. The next game, against Leslie, proved to be more difficult. The Raiders prevailed, though, by a 30-26 verdict.

Potteryville fell next to the girls, 32-20, before the girls lost their first game by a close 41-36 score. The girls next beat Bath in another close contest, 25-20, but dropped games to Hill, 51-19, and Morris, 26-24, before rebounding with a 30-20 decision over DeWitt. All in all, a very fine season for the Raider girls.

Martha Beurle led the team this year in points per game with an average of 15 points in each contest. As a result she was named the team's Most Valuable Player by Mrs. Bennett Carr. Schater averaged close to 9 points a game while Gayle Gervais and Sandy Schneider had about 5 each game. Grace Murphy was the team's manager and statistician.

"Spirit Of '67" Triumphs

Parents cheer at a wrestling match

What is spirit? It is a hard thing to define; otherwise, every other high school would have it. Spirit is not just one thing, it is a combination of things and can take many forms. But only certain schools seem to be gifted with spirit, and no other area school had as much as did the 1967 O'Rafferty Raiders.

These pictures are presented in the hope that the reader will gain some idea of what spirit is, and in thanks for the great "Spirit of '67."

Raider Baseball Team Has Its Ups and Downs . . .

Young Squad Overcomes Obstacles to post Good Record

O Rafferty's 1967 Baseball Team had a rough season, but they overcame their difficulties and remained a factor in the race for the Capital Circuit title. The young Raider ball club posted a very respectable 7-9 record, and its individual members reaped many honors. O Rafferty finished fifth in the Capital Circuit, but the future appears to hold more promise for the Raiders. Five of the eight regular players were underclassmen, and three of these were either freshmen or sophomores.

The starting lineup consisted of: George Bridson at first base, Phil Kelly at second, Tim Brogan at shortstop, Tony Rahar at third, Andy Lewandoski in left field, Mike Daly in Center, Mike Brogan in right field, and Bob McCann at catcher. George Bridson led the team in hitting with a .400 average, and was named to the All League first team. Joining George on the Circuit first string was pitcher Dave Morrison. Tim Brogan, the Raiders' leadoff hitter, was named to the All City team, and also selected for the Waverly Jay Cee Sportsmanship award. Senior Phil Kelly was named the team's Most Valuable Player.

Seniors Pete Perpich and Dan Cavanagh were valuable assets to the squad, while Mike Pratt, Dave Pung, and Ed Spagnuolo showed much promise for the future. Fans who were thrilled by the Raiders play this year have much to look forward to.

Track Squad Sets Many Records, Bests Arch Rival

O'Rafferty's 1967 track squad set many records this year despite a 1-5 dual meet record. While this may seem a rather disappointing record for the Raiders, they can claim one mark that will probably stand for a long time. In dual and triangular meets this year, the Raider track squad defeated arch rival Gabriels five times.

There were other positive aspects. This year was a record-shattering one for the individuals on the team. No less than six school marks were set by the determined team members.

Chief among these records were those set by Tom Van Zwoll, who was named the Raiders' Most Valuable Player by Head Coach, Ron Rittenburg. The Senior sprinter set school records of 10.3 seconds in the 100 yard dash and 22.3 seconds in the 220 yard event. Jim Colbert, another Senior, set a school record with a 52 foot, 4 inch heave in the shot put. Junior Tom Churma continued to surprise Lansing area track fans with his great high jumping ability. The 5 foot, 7 inch Churma showed why he can leap high on a jump shot in basketball by leaping 5 feet, 10 inches, to set his school record. Larry Ward, a Junior, vaulted 10 feet to establish another school record. Freshman John DuMont completed the record-breaking with an 11:12 clocking in the new two-mile event. It seems likely that John will improve upon this record in his future years here at O'Rafferty.

There were many other strong performers this season under Coach Rittenburg. Speedy Mike Egan turned in consistent performances, while Mike DeFors, another Junior did well in the half mile. Egan was a quarter miler and relay runner. Senior Mike Riordan was a strong performer in the mile. Pat Maloney and Kevin O'Connor were good performers, also, as was Steve Huhn. These three will be back next year, as well as Mike Reimbold. Senior Dave Borzenski started out well, but was troubled by a recurrence of an old injury. It's hard, losing all the line Seniors the team had, but the younger players, under the expert guide of Mr. Rittenburg, will undoubtedly thrill Raider fans next year as well.

Sports hall of fame

First on the list of Raider athletes to be honored is Jack Cushman. Jack was selected as the Most Valuable Player on both the football and wrestling squads, sharing the latter honor with Skip Ward. Jack was also Captain of both these teams and Varsity Club President as well.

Phil Kelly was selected as Most Valuable Player on the baseball team for his fine play at second base this year. Pete Perpich, MVP in basketball, was also an All-City, All-Conference, and All-State player. Like Phil, Pete was active in baseball, and also cross-country.

Tom Van Zwoll, the track MVP, holds school records of 10.3 in the 100 and 22.3 in the 220 yard dashes. He was also a member of the cross-country squad. Joe Costello received All-City and All-Conference honors in football, and was a standout on the basketball team.

Bill Murphy was Co-Most Valuable Player on the basketball team with Pete Perpich. Bill also won All-City, All-League, and All-State honors, as well as Prep Player of the Week recognition. He also broke the old school record in cross-country this year.

Bob McCann holds the football record for intercepted passes. He was also the catcher for the baseball team. Skip Ward, the Student Council President, also led his school in the wrestling department, sharing Most Valuable Player honors with Jack Cushman. Skip also was active in football. Dan Cavanagh received All-City and All-Conference honors for his play in football. Jim Colbert holds the school record of 52.3 in the shot put. Jim also played football.

Carol Schafer averaged 9 points for the girls' basketball team, and had an exceptionally fine season. Tim Brogan received All-City honors for his fine baseball season, and also was given the Waverly Jay Cee's Sportsmanship Award. The Raider junior has been a regular since his sophomore year.

John Mleko is honored for his fine play on the basketball team. He has been regarded as the team's best defensive player since his sophomore year. Mike Egan was regarded as one of the area's most dangerous halfbacks in football this year because of his tremendous speed, which he also puts to good use on the track, as a quarter-miler.

Mike Riordan

Mark Fischer

Tom Churma

Martha Beurle

Bill Castellani and Tom Henley are honored for their great work in promoting school spirit, for which they also received the Spirit Award.

Mike Riordan holds the school cross-country record of 10:13, and was Captain and Most Valuable Player of his team. He also was a miler for the track team and a statistician for the basketballers.

Mark Fischer was Captain of the basketball team, and a member of it since his sophomore year. Mark also was a member of the cross-country team.

Dan Richardson

Tom Churma did a tremendous job at guard for the basketball team this year, for which he received All-Conference honors for the second year in a row. Tom also holds the school record of 5' 10" in the high jump, and runs the hurdles and long jump.

Martha Beurle, the girls' basketball Most Valuable Player, averaged a fantastic 15 points a game for the girls. Dan Richardson, the lone sophomore on the Raider Hall of Fame squad, was honored as an All-City wrestler for his fine season.

CLUBS

The Student Council

The Student Council is the leading and most prominent organization of any school. O'Rafferty's Student Council is no exception. It is this representative group that was the channel of communication between the students and administration during the 1966-67 school year.

All student activities to be sponsored by other clubs must first be approved by the council. In other words this organization serves as the co-ordinator. Its prime purpose and obligation is to help fulfill the demands of the student while at the same time performing only those services which are the most beneficial to the school as a whole.

This year's Student Council is to be highly commended on its accomplishments and successes and certainly deserves the gratitude of the entire school for its endless efforts towards making O'Rafferty the 'best in the west' (and east).

This year both the Varsity and Junior Varsity debating teams gained much recognition for their outstanding performances in several contests throughout the year. They received high honors in regional competition and also an award of excellence from the Michigan High School Forensic Association. These 66-67 teams have left their successors with a very hard task to fill, that of maintaining the high quality of debate set before them.

the National Honor Society

The National Honor Society is, as its title indicates, an honor group. These individuals are chosen by the faculty on the basis of four characteristics: character, leadership, scholarship, and service. These individuals pictured below were inducted in their junior year. Although the society was not very active, the members did perform various services around the school. Twenty new members were inducted this year and twelve of them were juniors who will hopefully be able to put the N.H.S. in an even more respected position next year.

Cheerleaders (1966-67)

Dionne Stornant

Diane Stornant

Joelle Lewandowski

Crowning O Rafferty's many winning and championship teams this year was a cheerleading squad of seven well trained, vivacious girls. These girls provided the final touch to a winning season. Long hours of hard training and discipline resulted in one of the finest cheerleading squads in the State of Michigan. This was particularly displayed on the tournament route and especially in the Menominee game when their spirit and cheers kept the fine spirit of the crowd backing the team until the very end. These seven girls worked hard for our school and displayed the true ideals of O'Rafferty.

The Junior Varsity cheerleaders, who also cheered to winning teams, proved to be worthy inheritors to varsity cheering. The bright and strong spirit they helped promote among the sophomores spread enthusiastically through the school and these seven girls became the ring-leaders of a class spirit that is unequalled in O Rafferty's four year history.

The Freshman Cheerleaders inducted while still eighth graders began with a squad of ten who alternated in cheering groups of five. At basketball time the squad was reduced to one of six plus one substitute. These freshmen demonstrated skill and a fine beginning.

Marge Berardo

Last November, beginning on Friday the 4th, the total O'Rafferty student body prepared themselves for a spectacular homecoming. (1966) Marge Berardo reigned over the week end as queen with her court Mary Jo Hayes and Claudia Stornant.

The traditional bonfire was turned into an indoor hootenanny due to inclement weather. The parade was soggy but successful, highlighted not only by the beautiful royalty, but also by the tremendous floats. The Seniors took first place with their effort "We've Got the Coach, We've Got the Team!" The dance followed that evening, and though disappointment was felt, everyone managed to have a good time in spite of the results of the game. Afterwards there was left only the happy fatigue of a week-end well spent as fishes and fish-nets were taken from their "Underwater Fantasy" to be placed in someone's memory book.

A 66-60 victory over Gabriels, a dance afterwards reigned over by Queen Marti Sanford and King Mike Ford proved to be a festive night for O'Raffertyites. The game, a close one to the finish showed the best of the two teams. The closeness of the score made the victory and the celebration afterwards even sweeter.

The crowning of the queen and king was the climax of the night. The dance, sponsored by the G.A.A., was gaily decorated with candy canes and stuffed toys. The dance was an appropriate ending to a wonderful night.

Charley's Aunt

[illegible]

Well directed, ably performed, ... proclaimed the State Journal following an delightful performance of the 1967 Senior play, "Charley's Aunt." The plot of the play concerned two boys who were trying to win the favor of two young ladies and on the services of a college buddy to impersonate one of the boys' aunts.

During the course of the play the real Anna shows up and really complicates the situation. All this leads to one after the other as the series progresses.

It was truly a class play as a large number of the seniors devoted endless hours to this successful production. Mr. Ben Hall directed it. And who attended would testify to the enjoyability of the 1967 Senior play "Charley's Aunt."

Concern for graduation was temporarily put aside as the seniors returned to O'Rafferty for the last time on Friday, May 26. As in the past, the dance, which was held at the Civic Center, was highlighted by the crowning of the Queen, Cathy Labatello, and her attendants Margie White and Carol Kost.

Jack Brown and his orchestra entertained as the couples danced in the shadows of the white pillars and archways surrounding an elaborate water fountain. In all its success, this year's prom was a truly an occasion that will be treasured by the classes of '67 and '68 for many years.

Graduation - 1967

On Sunday, June 4th, the fourth and largest class in O'Rafferty's history graduated from the J.W. Sexton Auditorium. The class of 1967 brought many honors upon themselves during their past four years and graduation was the culmination of all they had accomplished.

The Honorable Mayor Cavanagh of the city of Detroit was the commencement speaker. His speech was a truly memorable one and made the occasion even more outstanding. This year's valedictorian was William Murphy, with Nellie Kuhnmuensch as salutatorian. The choice was a particularly difficult one as their scholastic averages differed by only .01 of one point. Both were ideal representatives of the spirit and principles of the class of '67. The entire group was commended, and rightfully so, on their outstanding achievements throughout their high school lives. There is a class that will not be soon forgotten.

Lansing Junior Miss -1967

On December 10, 1967, O'Rafferty blessed with one of the highest individual honors ever bestowed upon one of it's students. That evening in Gabriel's auditorium Nellie Kuhnmuensch was crowned Lansing's Junior Miss. It was the first time O'Rafferty had been represented in the pageant.

The formal pageant included a physical fitness routine, talent exhibitions, and evening gown competition. The pageant was climaxed by the presentation of the Miss Congeniality trophy and the coronation of the Junior Miss for 1967. Nellie captured both of these titles, taking all the honors. The Miss Congeniality trophy was particularly exciting for Nellie because

this was awarded by the girls themselves to the one they felt had the most outstanding personality and exhibited the most friendliness. This was also the first time in the history of the local pageant that anyone had won both honors.

In January Nellie went to Pontiac to participate in the State Junior Miss Pageant. It was during the big snowstorm but Nellie made it none the less. Although she was not one of the finalists, she brought more honor to herself and O'Rafferty by gaining the scholarship award. Even though she didn't take first as we thought she should, Nellie is O'Rafferty's own Junior Miss.

UNDERGLASSMEN

days gone by

The Junior class has done many things in the 66-67 school year. The excellent basketball team representing ORAFFERTY gave us state wide recognition. The Juniors can boast of two fine players on the starting team. With seven others backing them up.

The girls on the Junior class got together and put on a fashion show. Modeling the clothes themselves, they were described and sponsored by a local fashion designer.

Working together the Junior class came in first in class competition with their Homecoming float, the theme being "Whale Em."

The Juniors also participated in the making of signs along with the other classes. Another Junior class project was the "Turn About" dance to raise money for the Junior-Senior Prom.

Other individuals contributed much to the future of our class. The four Juniors on our outstanding cheerleading squad helped earn state wide recognition. Juniors were also outstanding in the forensic contest and on the debating team.

We the Freshmen of O'Rafferty have tried our best to contribute something for the good of our school. The many colorful signs and posters we painted along with "spirit day," and our show of school spirit at all the games of all the sports participated here at O'Rafferty has helped boost the moral of the whole student body and give all our teams the support they needed during the greatest year O'Rafferty has had.

To continue the usual traditions of floats etc. at the homecoming the freshmen contributed the third place winner with "BFAT 'EM" as their theme. In order to finance the float various projects were undertaken to raise money.

Throughout the year the Freshmen have tried their very best to have supported their school.

The Sophomore class this year has accomplished many things. We have produced a fine Junior Varsity football squad and an outstanding team in basketball.

During the football season the Sophomore class held a successful dance to help finance our float for the Homecoming. The theme "Blue Rush to Victory" helped the float to take fourth place.

After Homecoming our main concern was the Senior Breakfast which is a tradition for the Sophomores to sponsor. For this we held our annual St. Patrick's Day Dance to raise money for this project.

We, the Sophomore class, are looking forward to our Junior year when not only will we be able to better strengthen the name of our class but the name of O'RAFFERTY HIGH SCHOOL as well.

What is a yearbook? An orderly history of the school, complete with pictures and copy describing the course of one school year. What is a yearbook office? A confused mass of paper, pictures, and various writing instruments, thrown together with about as much order as a tossed salad. Out of all this chaos some order must emerge. We have tried to make this

material fit into a readable and understandable answer to the question: "What is O'Rafferty?"

In doing this we have introduced some new sections, and some different ideas, which we hope will catch on as the years go by. We would hope that this yearbook "catches on" with you, the reader, for this yearbook is both about you, and for you.
